EDUCATION

F-COMMERCE INTERN

- Passionate about technology
- Enthusiastic and creative, passionate about exploring new technology and having excellent teamwork skills to solve technological challenges

CAREER OBJECTIVE

Short-term: In the short term, I'm focused on learning the essentials of e-commerce, which include website management, online marketing, and order processing. My goal is to actively participate in real projects to apply this knowledge practically and develop necessary skills such as communication and teamwork.

Long-term: In the future, I aim to specialize in SEO or product development within e-commerce, while also leadership skills for higher management roles. Additionally, I'm committed to fostering creativity and building professional network to support my long-term career growth in the industry.

 Industrial University of Ho Chi Minh City
